Subject: Blind Tiger TEN 30/8/19 14.00 -04.00hrs Objection on the grounds of Prevention of Public Nuisance

Environmental Health write to inform you that we raise an objection to the application for a TEN at the Blind Tiger on 30/8/19 on the grounds of prevention of public nuisance

We have been made aware of the recent noise complaints and proactive out of hours noise visits in relation to the Blind Tiger:

- May 18th 2019 'Very loud music from the Blind Tiger'
- May 27th 2019 Complaint about the 'volume of music coming from the Blind Tiger at gone midnight is totally unacceptable'
- June 1st 2019 11.59pm Visit carried out by an out of hours noise officer noted 'Doors constantly opening and closing. When doors open significant noise breakout. Live bands on. Drums, male singer, guitar audible from fire station where I was parked. Doors opening for significant periods of time due to smoking area in front. Likely to give rise to complaints'
- July 14th 2019 Complaint about loud music 'all weekend'
- August 3rd 2019 Visit carried out by an out of hours officers noted 'At 01.08hrs I parked opposite the Blind Tiger and could hear the music from within as the doors where wide open. Left at 01.12hr'

We feel the 4am finish could give rise to noise complaints and public nuisance hence the objection.
