## Annex 1 - Mandatory Conditions

No supply of alcohol may be made under the premises licence at a time when there is no designated premises supervisor in respect of the premises licence or at a time when the designated premises supervisor does not hold a personal licence or their licence is suspended.

Every supply of alcohol under the premises licence must be made or authorised by a person who holds a personal licence.

A relevant person shall ensure that no alcohol is sold or supplied for consumption on or off the premises for a price which is less than the permitted price.

For the purposes of the condition set out in the above paragraph:

- a) "duty" is to be construed in accordance with the Alcoholic Liquor Duties Act 1979;
- b) "permitted price" is the price found by applying the formula-

$$P=D+(D \times V)$$

where—

- i. P is the permitted price,
  - ii. D is the amount of duty chargeable in relation to the alcohol as if the duty were charged on the date of the sale or supply of the alcohol, and
  - iii. V is the rate of value added tax chargeable in relation to the alcohol as if the value added tax were charged on the date of the sale or supply of the alcohol;
- c) "relevant person" means, in relation to premises in respect of which there is in force a premises licence—
    - i. the holder of the premises licence,
    - ii. the designated premises supervisor (if any) in respect of such a licence, or
    - iii. the personal licence holder who makes or authorises a supply of alcohol under such a licence;
  - d) "relevant person" means, in relation to premises in respect of which there is in force a club premises certificate, any member or officer of the club present on the premises in a capacity which enables the member or officer to prevent the supply in question; and
  - e) "value added tax" means value added tax charged in accordance with the Value Added Tax Act 1994.

Where the permitted price given by Paragraph (b) of paragraph 2 would (apart from this paragraph) not be a whole number of pennies, the price given by that sub-paragraph shall be taken to be the price actually given by that sub-paragraph rounded up to the nearest penny.

Sub-paragraph (2) applies where the permitted price given by Paragraph (b) of paragraph 2 on a day ("the first day") would be different from the permitted price on the next day ("the second day") as a result of a change to the rate of duty or value added tax.

The permitted price which would apply on the first day applies to sales or supplies of alcohol which take place before the expiry of the period of 14 days beginning on the second day.

The responsible person must ensure that staff on relevant premises do not carry out, arrange or participate in any irresponsible promotions in relation to the premises.

In this paragraph, an irresponsible promotion means any one or more of the following activities, or substantially similar

activities, carried on for the purpose of encouraging the sale or supply of alcohol for consumption on the premises:

  - i. drink a quantity of alcohol within a time limit (other than to drink alcohol sold or supplied on the premises before the cessation of the period in which the responsible person is authorised to sell or supply alcohol), or
  - ii. drink as much alcohol as possible (whether within a time limit or otherwise);
