- 6.2 The conditions imposed on the premises licence are appended at **Appendix D.**

7. OPTIONS

- 7.1 Having regard to the objection notice, the Licensing Authority must give the premises user a Counter Notice if it considers it appropriate for the promotion of a licensing objective.

- 7.4 The licensing authority may impose one or more conditions on the temporary event notice if:

- (b) the conditions are also imposed on a premises licence or club premises certificate that has effect in respect of the same premises, or any part of the same premises, as the temporary event notice, and
- (c) the conditions would not be inconsistent with the carrying out of the licensable activities under the temporary event notice.
