Subject: EH objection to the TEN 4th-5th December The Commercial Inn Haslingden DJ Event

Please accept this as the Environmental Health **objection** to the application to the above Temporary Event Notice under the prevention of public nuisance licensing objective.

We feel that the people noise and taxi noise associated with patrons leaving the premises after the proposed 4am finish would have a negative impact on the neighbours living in the vicinity of the public house.

Regards

Mrs Lorna Robinson CEnvH
Senior Environmental Health Officer
Rossendale Borough Council
