Dear Sir/Madam

Corner cafe, 582 Burnley Road, Crawshawbooth, BB4 8AJ

I refer to the above premises, which have applied for a license to sell alcohol to persons dining in their cafe. Between the hours of 11am to 12 midnight. Due to the fact that the cafe opens some days as early as 7 am, this means that the premises will be open some days 15 hours a day, which is totally unacceptable.

Also there is a huge problem in the village with under age alcohol abuse, which wrecks havoc in the village. This is only going to contribute to this problem. Also there is huge problem for parking in the area and we can only see that cars will be parked on Burnley Road, causing problems for residents and also through traffic as this is the narrowest section of road on the A 682 Burnley to Rawtenstall.

Yours faithfully
