

## NOTICE OF MOTION FOR FULL COUNCIL

### UNDER PARAGRAPH 11.1 OF THE COUNCIL PROCEDURE RULES

The following Motion to be submitted to Full Council on the date indicated below:-

This Council notes that it is now 13 years since Professor Sir Michael Marmot's landmark strategic review of health inequalities in the UK "Fair Society, Healthy Lives" which called for urgent action to address health inequalities in the UK.

This Council also notes Sir Michael Marmot's recent comments in the British Medical Journal that the imposition of austerity since 2010 has had a terrible and disproportionate effect on the poorest members of society.

Sir Michael makes a series of urgent recommendations to address this growing inequality including action on child poverty, working conditions and climate.

This Council resolves to write to the Office of the Prime Minister to urge his Government to listen to one of our leading experts on health inequalities and to begin to implement his recommendations as a matter of extreme urgency and to the benefit of poorer families across the country and here in Rossendale.
