7. WARDS AFFECTED  
Longholme

8. CONSULTATIONS  
The appeal was advertised by individual letters to all parties who made representations upon the planning application

9. REPORT

2004/167 This planning application was received on 15 March 2004 and related to the Construction of 3 Apartment Blocks comprising 36 Dwellings with associated access, parking and landscaping

The application was refused on the 21 June 2004 for the following reason(s):-

- (i) The proposed development would look materially out of place and character in the locality and would dominate neighbouring properties to the detriment of residential amenity. For these reasons the proposed development does not accord with policy DC.1 of the Rossendale District Local Plan which states that developments should not "be detrimental to existing conditions in the surrounding area".
- (ii) The proposed three storey apartment blocks would by virtue of their height, scale and elevated position dominate the skyline to the detriment of visual amenity. For these reasons the proposed development does not accord with Policy DS.2 of the Rossendale District Local Plan which seeks to ensure that future development is not on the skyline when seen from the main roads and other well used vantage points.

This resulted in an appeal being lodged and dealt with under the Written Representations method. The Inspectorate wrote informing the Council the appeal was **Dismissed** on 08<sup>th</sup> March 2005.
