- c) Who will be the main beneficiaries, targets or users of this strategy, policy, project or procedure?
- Customers/citizens of the district
 - Targeted/specific groups of customers/citizens (indicate below in [d]).
 - Elected Members/Councillors
 - Internal colleagues/customers or other public authorities e.g. government agencies
 - Staff/employees (in their contractual position) and/or potential employees/trainees.
 - Any other stakeholder e.g. trade unions, contractors, suppliers, district partners, public agencies (not directly under Council control), intermediaries representing interest groups e.g. tenants, developers, legal agencies or third parties.

Specify in box below:

- d) Please detail below specific equality groups – for example disabled citizens, elderly or infirm/female or non-traditional users who are seen as intended beneficiaries from this policy/strategy/project/procedure (see “**Notes for Guidance**”).
-

Key equality groups as intended beneficiaries (where appropriate):

e) To assist with the assessment you may need to consider collecting the following information you require, before completing the table in Section 2:

- NATIONAL DATA eg surveys, reports, statistics, etc which point up specific areas/issues.
- LOCAL DATA eg demographics, service mapping studies & relevant research.
- MANAGEMENT INFO eg data collected for operational/financial or other purposes.
- MONITORING DATA eg information already available or collected. For example: disability type, age band, gender, location. (ref existing BVPIs).
- CONSULTATION/CONTACT DATA eg user group feedback, representations, specific consultation events etc.
- CUSTOMER COMPLAINT/FEEDBACK eg results of investigations, inquiries, elected member cases, normal complaints/compliments etc.
- Views of LSP Officers, independent externals, contractors/suppliers, partners and academia (if relevant).
- OTHER eg frontline employee feedback, other research, experiences of other agencies/local authorities, councillors mailbags/surgeries.

f) Is further consultation, data collection or research still required?

- b) If the table above is not fully completed, what further information does the Assessor need?

N/A

- c) Based on a summary of the evidence obtained, are there specific equality groups more affected than others by this policy/project etc area? If so indicate briefly below.

N/A

3. Impact – Nature/Type

- a) Could you further improve the strategy, project, policy or procedure's positive impact?

YES NO

If "Yes", briefly summarise below how the positive impact could be improved upon.

Key Actions:

- b) If you indicated that there is neutral impact, could this be changed to become positive?

YES NO

If yes, briefly summarise below how this impact could be minimised or removed:

Key Actions:

- c) You need to think about how you can mitigate any adverse or negative impact or use the policy to promote a positive impact. If the proposed policy or project has a:

High Impact – you have identified that the policy or project will have a high, negative impact i.e. that it may be or is unlawfully discriminating against some groups, you will have to take immediate action to mitigate this.

Or:

Lower Impact – if you have identified that the policy would have a negative or adverse impact (that may not be lawful) you will also need to consider what changes you could make to remove this impact.

If you have identified adverse impact you must determine whether you will recommend that the Council should:

- Change the policy, stating what the changes should be
- Revise the policy, stating the revisions
- Consult further if you feel that you do not have enough information

Actions arising from the impact assessment should form part of the Service Planning Process.

Key Actions:

4. Impact Assessment - Summary
