2. Impact - Evidence

a) Using the table below please tick whether you have evidence that the policy/strategy has a negative, positive or neutral impact on any of the equality groups listed below

		Positive Impact – it could benefit	Negative Impact – it could disadvantage	Reason	Neutral Impact (Neither)
Gender	Women	X	X	May increase house value, however there may be added maintenance costs as a knock on effect of this appraisal.	
	Men	X	X	May increase house value, however there may be added maintenance costs as a knock on effect of this appraisal.	
Race (Ethnicity or Nationality)	Asian or Asian British people	X	X	May increase house value, however there may be added maintenance costs as a knock on effect of this appraisal.	
	Black or black British people	X	X	May increase house value, however there may be added maintenance costs as a knock on effect of this appraisal.	
	Chinese or other ethnic people	X	X	May increase house value, however there may be added maintenance costs as	

		Positive Impact – it could benefit	Negative Impact – it could disadvantage	Reason	Neutral Impact (Neither)
				a knock on effect of this appraisal.	
	Irish people	X	X	May increase house value, however there may be added maintenance costs as a knock on effect of this appraisal.	
	White people	X	X	May increase house value, however there may be added maintenance costs as a knock on effect of this appraisal.	
	Chinese people	X	X	May increase house value, however there may be added maintenance costs as a knock on effect of this appraisal.	
	Other minority communities not listed above e.g. traveller/European (please state below):	X	X	May increase house value, however there may be added maintenance costs as a knock on effect of this appraisal.	
Disability	Physical/learning/mental health	X	X	May increase house value, however there may be added maintenance costs as	

		Positive Impact – it could benefit	Negative Impact – it could disadvantage	Reason	Neutral Impact (Neither)
				a knock on effect of this appraisal. May be more difficult to get alterations to properties to cater for special needs.	
Sexuality	Lesbians, gay men and bisexuals	X	X	May increase house value, however there may be added maintenance costs as a knock on effect of this appraisal.	
Gender Identity	Transgender people	X	X	May increase house value, however there may be added maintenance costs as a knock on effect of this appraisal.	
Age	Older people (60+)	X	X	May increase house value, however there may be added maintenance costs as a knock on effect of this appraisal.	
	Younger people (17-25), and children	X	X	May increase house value, however there may be added maintenance costs as a knock on effect of this appraisal. Increase house value may disadvantage first time buyers.	

		Positive Impact – it could benefit	Negative Impact – it could disadvantage	Reason	Neutral Impact (Neither)
Belief	Faith groups *				X
Other Groups (e.g. carers, rural isolation)					X
Equal opportunities and/or improving relations	Note impact on group relations between and any effects on social cohesion.				X

Notes:

^{*} Faith groups cover a wide range of groupings, the most common of which are Muslims, Buddhists, Jews, Christians, Sikhs, Hindus. Consider faith categories individually and collectively when considering positive and negative impacts.

b)	If the table above is not fully completed, what further information does the Assessor need?
N	/A
	Based on a summary of the evidence obtained, are there specific equality groups more affected than others by this policy/project etc area? If so indicate briefly below.
N	/A

	F
a)	Could you further improve the strategy, project, policy or procedure's <u>positive</u> impact?
	YES NO 🖂
If "	Yes", briefly summarise below how the positive impact could be improved upon.
Key A	Actions:
b)	If you indicated that there is <u>neutral</u> impact, could this be changed to become positive?
	YES NO
lf y	ves, briefly summarise below how this impact could be minimised or removed:
Key A	Actions:
c)	You need to think about how you can mitigate any adverse or <u>negative</u> impact or use the policy to promote a positive impact. If the proposed policy or project has a:
	High Impact – you have identified that the policy or project will have a high, negative impact i.e. that it may be or is unlawfully discriminating against some groups, you will have to take immediate action to mitigate this.
	Or:
	Lower Impact – if you have identified that the policy would have a negative or adverse impact (that may not be lawful) you will also need to consider what

changes you could make to remove this impact.

3. Impact - Nature/Type

If you have identified adverse impact you must determine whether you will recommend that the Council should:

- Change the policy, stating what the changes should be
- Revise the policy, stating the revisions
- Consult further if you feel that you do not have enough information

Actions arising from the impact assessment should form part of the Service Planning Process.

	Key Actions:
	There are no impacts which require action. Any negative impacts cannot be mitigated and the positive impacts of this appraisal fully out weigh any negative impacts. Full consultation was carried out with residents who are in support of this appraisal.
4.	Impact Assessment - Summary
	a) Key Findings
	Please list the major outcomes/results/findings of this assessment in relation to equality which require <u>action</u> by the Council:
	Key Findings:
	N/A

b) "Public Duty" Issues Refer to "Notes for Guidance". Given the three strands of legal duty, please identify which particular issues are essential for the Council to address: N/A 5. Impact Assessment – Further Action a) As a result of collecting evidence (including consultation) have any changes been made, or are planned, to this policy, strategy, procedure or project? \boxtimes Nο Yes (If yes then complete Action Plan) Key Actions (note responsible officer(s) or political body as required): b) Has a monitoring/evaluation/review process been set up to check the successful implementation of the policy/strategy including improved outcomes? \boxtimes Yes No If yes, briefly summarise below: The Conservation Area Appraisal will be regularly reviewed in order to keep the appraisal document up to date.
