

**BRIEFING NOTE
POLICY & SCRUTINY**

Department: Forward Planning

Item: Proposals Map DPD (Development Plan Document)

The Proposals Map DPD is an ongoing document which will be updated as and when new parts of the Local Development Framework (LDF) are adopted.

The Forward Planning team are working on a number of documents which will inform and develop the LDF including the Core Strategy and Site Allocations DPDs. These two documents will greatly influence the Proposals Map.

However since neither of these documents have reached a stage where they can inform the Proposals Map, there is little to present at this time.

For the latest information and progress on Rossendales LDF, please visit <http://www.rossendale.gov.uk/site/scripts/documents.php?categoryID=374>
