Subject: Application to Vary Premises Licence - The Roebuck Inn - Haslingden

Danny,

I refer to the above application [Dated 20/01/09] to vary a premises licence in respect of The Roebuck Inn at Haslingden.

I would advise that Environmental Health are objecting to the above application in its present form on the grounds that it would be detrimental to the residential amenities of nearby occupiers, by reason of the noise, disturbance, and general activity associated with the proposed use.

If you require at this stage more detailed reasons for our objection then please contact me Wed to Fri any week.

Lastly, whilst I have advised Mr. Kocdemir to submit our general noise conditions to yourselves to accompany his application, I also informed him that Env Health would be objecting to the application.

Regards,

Peter
