### 3. Impact – Nature/Type

- a) Could you further improve the strategy, project, policy, procedure or decision's positive or neutral impact? If "Yes", this should be detailed in the Action Plan.

YES  NO

- b) You need to think about how you can mitigate any adverse or negative impact(s) of the proposal, or how you might use the policy, strategy, project, procedure or decision to promote a positive impact. You must consider whether you have identified that this proposal has a:

**High Impact:** that the policy, project or decision will have a high, negative impact i.e. that it may be or is unlawfully discriminating against some groups, you will have to take immediate action to mitigate this.

OR:

**Lower Impact:** the policy, project or decision will have a negative or adverse impact (that may not be lawful). You will also need to consider what changes you could make to remove this impact.

If you have identified adverse impact you must determine whether you will recommend that the Council should:

- Change the policy/decision, stating what the changes should be
- Revise the policy/decision, stating the revisions
- Consult further if you feel that you do not have enough information.

Actions arising from the impact assessment should form part of the Service Planning Process.
