New/Proposed

Modified/adapted

Existing

1. Scope of the Community Impact Assessment
To determine if rehoming the animals and birds kept at Whitaker and Stubbylee Park will have a negative impact on the community.
2. Aims & Objectives – summaries the main aims/objectives of the policy, decision, strategy, action plan, project or procedure
It is considered timely to review the location of animals and birds in either Stubbylee or Whitaker Park.

¹ Policy can be defined as a policy document, decision, strategy, function, service, action plan, programme, procedure, initiative or process.

Is a Full Community Impact Assessment required? Yes: No:

Head of P&P signature: Liz Sandiford

Lead Officer signature: Tamzin Percival

Date: 20.12.10

² If you have identified any negative impact you *will* need to complete a Full Community Impact Assessment. If there are no negative impacts identified you do not need to complete a Full Community Impact Assessment.

³ Faith groups cover a wide range of groupings, the most common of which are Muslims, Buddhists, Jews, Christians, Sikhs, and Hindus. Consider faith categories individually and collectively when considering positive and negative impacts.
