

Responses to Street Trading Consultation

Responses received during consultation on the proposed changes to street conditions are listed below. Where considered appropriate, the conditions have been amended.

- Removal of specific time limits for ice cream vans sounding their chimes.
- Consideration to granting one Consent to organisations to enable them to regulate street trading at their event.
- Confirmation that traders are registered with a local authority in respect of food sales.
- Change the proposed 7 day Consent to 14 or 21 days to incorporate seasonal trading.
- Mention to prospective traders that they require permission from the landowner, including Rossendale Borough Council, to trade from land not forming part of the adopted highway.
- Consultation should take place with ward councillors and town councillors to ensure that the best local knowledge contributes to the decision.
