**RE: Tricks & Treats, 27 Deardengate, Haslingden**

Dear Susan,

On Tuesday 5<sup>th</sup> April 2011 the Police received an application for the grant of a premises licence at the above address. This application was to grant the sale of alcohol for consumption off the premises 24 hours a day, 7 days a week, with the premises opening to the public between 0600 and 0000.

The above requirement suggests that between the hours of 0000 and 0600 a delivery service will be in operation from the premises, indeed this has been intimated in person by the applicant, but there is no mention of this within the operating schedule except in part O of the operating schedule where it states "These are the timing the shop will open to the public but after midnight no sales will be made on the premises".

I, therefore, feel that the applicant has failed to fully address the four licensing objectives sufficiently in part P of the application form given the proposed hours for licensable activity as outlined in the operating schedule.

I would like, at this time, to formally object to the grant of this licence as I feel that to grant it in accordance with the current operating schedule will seriously undermine the prevention of crime and disorder and protection of children from harm licensing objectives.

Yours sincerely,
