Dear Helen

## **Annual Audit Fee 2011/12**

I am writing to confirm the audit work that we propose to undertake for the 2011/12 financial year at Rossendale Borough Council. The fee reflects the risk-based approach to audit planning set out in the Code of Audit Practice and work mandated by the Commission for 2011/12. The audit fee covers the:

- The audit of financial statements
- Value for money conclusion
- Whole of Government accounts.

As I have not yet completed my audit for 2010/11 the audit planning process for 2011/12, including the risk assessment, will continue as the year progresses.

### **Audit fee**

The Audit Commission has set the scale fee for each audited body for 2011/12, rather than providing a scale fee with fixed and variable elements. The scale fee reflects proposed decreases in the total audit fee, as follows:

- no inflationary increase in 2011/12 for audit scales of fees or the hourly rates for certifying claims and returns;
- a cut in scale fees resulting from our new approach to local VFM audit work; and
- a cut in scale audit fees of 3 per cent for local authorities, police and fire and rescue authorities, reflecting lower continuing audit costs after implementing IFRS.

The scale fee for Rossendale Borough Council is £100,268. The scale fee is based on the planned 2010/11 fee, adjusted for the proposals summarised above, shown in the table below. Variations from the scale fee will only occur where my assessments of audit risk and complexity are significantly different from those identified and reflected in the 2010/11 fee.

<b>Audit Area</b>	<b>2011/12</b>	<b>2010/11</b>
<b>Scale Fee</b>	<b>£100,268</b>	<b>£100,750</b>
Planned Audit Fee	£100,268	£105,545
Less Rebates	(See Note below)	(£7,535)
Net Cost	£100,268	£98,010
<b>Certification of Claims and Returns (Estimated)</b>	<b>£24,200</b>	<b>£25,000</b>

**Note:** The Audit Commission has agreed, subject to affordability, to make additional rebates of up to 8% of the scale fee in 2011/12. The Commission will notify audited bodies of the amount due to them in Summer 2011.

I will issue a separate audit plan in December 2011. This will detail the risks identified to both the financial statements audit and the vfm conclusion. The audit plan will set out the audit procedures I plan to undertake and any changes in fee. If I need to make any significant amendments to the audit fee, I will first discuss this with the Head of Finance. I will then prepare a report outlining the reasons why the fee needs to change for discussion with the Audit and Accounts Committee.

My approach to work to support my vfm conclusion in 2011/12 will be risk-based, in accordance with criteria identified by the Audit Commission and will be determined following the conclusion of 2010/11 vfm conclusion work.

I will issue several reports over the course of the audit. I have listed these at Appendix 1.

The fee excludes work the Commission may agree to undertake using its advice and assistance powers. We will negotiate each piece of work separately and agree a detailed project specification.

I will charge fees for considering objections, from the point at which I accept an objection as valid, or any special investigations, such as those arising from disclosures made under the Public Interest Disclosure Act, as a variation from the scale fee.
