

CANCELLED MEETING

Meeting of: DEVELOPMENT CONTROL COMMITTEE

Time: 6.30pm Date 27th July 2011

Venue: The Riverside, Market Street, Whitworth

Supported by: Michelle Hargreaves, Committee and Member Services Officer, Tel: 01706 252423 or email michellehargreaves@rossendalebc.gov.uk

Please be advised that the meeting of Development Control Committee scheduled to take place on 27 July 2011, to consider the Planning Application proposing Crook Hill Wind Farm be accessed from Market Street in Shawforth, has been cancelled. Officers were recommending that the Committee refuse planning permission on the basis that the application proposed a significant number of vehicle movements through the Landgate/Market Street junction which the applicant may be able to avoid.

The applicant, Coronation Power, has now submitted an application to Rochdale MBC to vary conditions on the extant planning permission for the part of Middle Hill Quarry within its administrative area. Coronation Power has stated that if this is approved by Rochdale MBC it would enable the Crook Hill Wind Farm scheme to significantly reduce and perhaps eliminate the need to import stone through the Landgate/Market Street junction. On this basis the applicant believes that the outcome of this application is important and that it would be beneficial to defer the determination of Application 2011/30 until a decision is made by Rochdale Council regarding the variation application.

Date Published: 22nd July 2011

The agenda and reports are also available for inspection at the Council's One Stop Shop, Lord Street, Rawtenstall. Other formats are available on request. Tel 01706 21777 or contact Rossendale Borough Council, Futures Park, Bacup, OL13 0BB
