RE: Stand Athletic, Manchester Road, Ewood Bridge, Rossendale

Dear Susan,

On Saturday 12th May 2012 the Police received an application for the grant of a premises licence at the above address.

We have previously met with the applicant's and offered advice with regards required conditions to ensure that the licensing objectives are fully promoted for an event of this calibre and outlined concerns that there will be insufficient time to organise the event safely.

Upon receiving the application we feel that our concerns have been justified and believe that the applicant's have failed to fully address the licensing objectives sufficiently in part P of the application form in relation to the provision of door supervision, the retail sale of alcohol, site security, entry and egress, crowd safety, and the prevention of noise nuisance given the nature of the proposed licensable activities as outlined in the operating schedule.

It is the belief of the Police that to grant the premises licence in its current form will seriously undermine the prevention of crime and disorder, public safety and prevention of public nuisance licensing objectives. As such the Police formally object to the granting of this premises licence.

Yours sincerely,

Mark Driver
