

Appendix L

Susan Chadwick

From: Peter Taylor
Sent: 30 May 2012 14:33
To: Susan Chadwick
Subject: Application for a Premises Licence - Former Stand Athletic

Susan,

I refer to the above application made by Matthew Heys and Stephen Sourbutts dated 25/04/12.

The Department would wish to object to this application in its present form on the grounds of potential noise nuisance from loud amplified music i.e. 2 local bands to perform for 1.30hrs each, leading up to the main boxing event. The residential properties that would be affected by noise nuisance would be 863 Bridge View and those dwellings at Parkinson Fold.

If there are standard forms that Env Health must complete to formally register our objection, then can you please forward them on.

Thanks,

Peter
