Appendix M

Wood Bridge
Rosendale

Dear Miss Chadwick,

I write to object to the application made for a new premises licence made by Mr. M. Heys and Mr. S. Sambutt's at premises in Wood Bridge.

I feel this would be detrimental to our area if we are to be subjected to loud music, problems related to all day drinking ie. possibly vandalism, litter and desecration of the public footpath/ riverside walk and the difficulty of parking for huge numbers.

The site is in a state of total disrepair as it is and the suggested change of use would make it even worse.

Yours sincerely
