1	<p>What if any plans are you putting in place to become self sustainable post 31st March 2014</p> <p>Example:</p> <ul style="list-style-type: none">• What measures, if any, are you putting in place to operate more efficiently whilst minimising the impact to your service• Are there alternatives available to the people that access the services of your organisation/group• What alternative business models exist for your service eg sharing services, premises, managers, procurements etc	

2	What would be the impact on your organisation/group should it not secure Council funding beyond March 2014	
3	Specifically, looking at the equality profile of the people who access or are members of your organisation/group how would a loss of Council funding affect them.	

4	<p>Becoming involved in the development of a commissioning model</p> <p>Example:</p> <ul style="list-style-type: none">• Would your group / organisation be able to contribute to focus group work• Do you have any specialist knowledge within your organisation that would assist in the development of a commissioning model• What factors should be take account off in developing a commissioning model for the third sector
