Section 4

Information and details of the representation

Please state the grounds for your representation

- Since the green Squirrel opened we have had many issues.
- Police were called on opening day/night due to a fight between males and females spilling out onto our avenue. We hoped this was just due to the amount of people present that day but this has continued.
- Due to the smoking bann, large crowds congregated on the gable end of the pub. There is an alcohol bann in the area but customers drink whilst smoking. Glass is regular smashed outside our house which my daughter will walk in. Sweeping my own street so glass doesn't come into our property is not ideal.
- Loud music is now guaranteed every Friday and Saturday night. I have now become to dread weekends. We have moved bedrooms from a lovely attic conversion due to the level of noise we could hear in there at night. We now have a baby who's bedroom is at the front of the house too. My daughters room is at the back of the house and regularly I have put the baby in her room at the weekend and I have also slept in there so ~~we~~ I can get a full nights sleep at weekend. if I do sleep in our bedroom we have the tv on loud enough to drown out the sound.
- music and noise from the customers can continue until as late as 4am. No respect for the residents in the area is taken.

Please provide as much information as possible to support your representation. Please note that if you have not disclosed this information, you may not be able to introduce it at the hearing unless all the other parties consent.

P.T.O.

Generally since the pub opened our quality of life at weekends has decreased.

Enjoying a full nights sleep in peace in our own bed is restricted to weekdays only.

The license for music and alcohol is far too late and has been taken advantage of.

This review has gone on now for far too long and the owners of the green squirrel need to be reprimanded.
