

APPENDIX 7 – FINAL PROPOSALS FOR CHANGES TO LITTER BINS

RAWTENSTALL FORUM AREA- 232 BINS IN TOTAL 14% REDUCTION

Longholme: 10 bins

- -There are 2 small yellow post mounted bin on the stretch of Haslingden Rd near Whitaker Park. Both of these to be removed and replaced by 1 larger bin.
- -Removal of one of the two bins outside New Hall Hey Shops.
- -Removal of the yellow pm at bus stop at the top of Cherry Tree Lane. Low usage reported from crews.
- -Removal of the yellow post mounted bin next to the Riverside Pub, Bury Rd. There are 2 other bins within 50 metres.
- -Removal of the black post mounted bin at the bottom of Oakley Rd. There is a large bin on the car park adjacent.
- -Removal of yellow post mounted bin on Haworth Drive, Oakley. This is located on a housing estate and requires a detour to empty. Small capacity of the bin makes this inefficient.
- -Removal of green post mounted bin outside Granelli's Ice cream shop, Bury Rd. There are 2 bins within 20 metres of this.
- -Removal of 2 RBC serviced bins from Hurstwood's grounds at Riverside Health Club. There are 2 of their own that will be emptied regularly. Emptying these bins requires a detour.

Whitewell: 10 bins

- -Removal of bin located to the rear of the old play area on Edgeside Park. This is in an obscure position and there are 2 other large bins in the vicinity.
- -Removal of the small post mounted bin at Co-op bus stop, Waterfoot- there is a large litter bin next to it which is emptied by Co-op.
- -Remove 2 yellow post mounted bins from Waterfoot main car park and replace with a larger bin.
- -Remove the yellow post mounted bin at the junction of Burnley Rd East and Booth Rd. There are 2 within 20 metres.
- -Remove large bin from Joe Connelly way. This is a housing area and residents have their own refuse containers.
- -Remove 2 concrete bins from Dean Fold, Water. This is a housing area and residents have their own refuse containers. There are other bins in the area for dog walkers.
- -Remove yellow post mounted bin opposite the Newsagent on Burnley Rd East, Waterfoot. Crews have reported low usage and there are other bins in the area.
- -Remove the bin on Thornfield Avenue as there is no longer a school.
- -Remove 1 bin from the Millennium Green, Lumb

Hareholme: 9 bins

- -Removal of the black post mounted bin at the junction of North Rd/ Bacup Rd. There is a large bin across the road and this is often filled with household waste.
- -There are 2 large green bins located within the grounds of the flats at Dobbin Court. All flats have their own refuse containers so the litter bins are not essential.
- -Remove the bin from outside the old One Stop Shop building. This is no longer open therefore there will be no footfall past this bin.
- -Remove 2 bins from 'The Bunker' in Waterfoot. This is very difficult to access and there are bins nearby on the main road.
- -Removal of 2 small yellow post mounted bins between Hareholme Flats and Waterfoot Police Station. These will be replaced by 1 larger bin.
- -Removal of 2 small bins on Back Lane car park, Rawtenstall. There are other larger bins in the vicinity.

Cribden: 4 bins

- -Remove bin from path leading to Hobson St Plateau from Alexandria Street. Crews reported that this has low usage.
- -Removal of the yellow post mounted at the bottom of Hollin Way. There is a large black bin outside the Old Ashworths Arms that would be relocated here.
- -Removal of the bin at the junction of Taylor Street/ Bacup Road as there are 2 similar bins across the road. Crews have reported that this bin is much less used.
- -Removal of 2 yellow post mounted bins opposite the Craven Heifer. Replace with 1 large bin.

Goodshaw: 1 bin

- -Removal of the bin near Goodshaw Lane and Burnley Rd junction. There is another bin within 50 metres.

**BACUP FORUM AREA - 138 BINS IN TOTAL
10% REDUCTION****Stacksteads: 3 bins**

- -Removal of bin at School Street bus stop. Crews have reported that this is not well used.
- -Removal of the bin on Western Rd. There are bins on the park and another located nearby at the junction with Heath Hill Drive.
- -Remove the bin on Branch Street alley gates

Greensclough: 8 bins

- -Removal of yellow bin near the junction of New Line and Newchurch Rd. Crews have reported low usage.
- -Removal of 2 yellow post mounted bins on Market Street green (nr Swan Inn) and replace with 1 larger bin.
- -Removal of 2 post mounted bins on Market Street Green (Bacup end) and replace with 1 larger bin.
- -Removal of post mounted bin on the corner of St. James Square and Burnley Rd.
- -Removal of post mounted bin on St. James square o/s old boots. There is a large bin 20 metres away.
- -Post mounted next to Cheers, Rochdale Road. There are other bins in the immediate vicinity.
- -Remove small bin from Rockcliffe Lane/ Market Street junction.
- -Remove bins at the bottom of Fern Street. Crews report that this isn't well used.

Irwell: 3 bins

- -Removal of bin at the taxi office on Todmorden Rd, Bacup. This is repeatedly filled with Household waste and there are bins 50 metres either way.
- -Removal of one of the 3 bins on Rockcliffe Lane, Bacup
- -Remove 1 bin from Rosendale Crescent Play Area. This is full of sand and no longer usable.

HASLINGDEN, HELMSHORE AND EDENFIELD FORUM AREA - 204 BINS IN TOTAL 10 % REDUCTION

Worsley: 3 bins

- -Remove the post mounted bin on Blackburn Rd, near to Carter Caravan site. Crews have reported a lack of usage and there is no pavement on this stretch.

- -Remove Yellow bin opposite Hollands Pies. Crews have reported low usage.

Helmshore: 4 bins

- -Remove red dog bin near olden Antiques. There is a large bin within 10 metres.
- -Remove 1 bin from the Orchard on Helmshore Rd.
- -Remove Black PM from Bus Stop near York Ave, Helmshore Rd. Crews have reported low usage. There is a large bin opposite.
- -Remove green bin outside Westbourne on Helmshore Rd. Crews have reported low usage and there is another bin 50 metres away.

Greenfield: 7 bins

- -Remove yellow post mounted on Helmshore Rd between East Bank Ave and Ryefield Ave. There are other bins in the area.
- -Remove 2 yellow bins off East Bank Avenue. There are 4 on this road. The 2 near the School will be kept
- -Remove green bin at the top of fields Road.
- -Remove Green bin at the top of Park Avenue. There are 3 large bins within 100 metres.
- -Remove post mounted bin from the bottom of Bury Rd. There is a large bin opposite.
- -Remove the post mounted bin opposite the petrol station on Manchester Rd. There are 2 bins within 50 metres.

Eden: 6 bins

- -Exchange Street/ Edenfield Recreation ground- There are 2 old, small bins located next to each other on the edge of the Rec. These could be removed and replaced with the Larger bin at the bottom of Exchange Street.
- -Chatterton Recreation Ground- There are 2 bins next to each other- remove 1 of these.
- -Bolton Rd North, Stubbins- on the stretch from Chatterton Road to the old railway Bridge there are 6 bins. Remove the bin outside the Hair Salon
- -There is a yellow post mounted bin at the bottom of lane opposite Moorlands View- there is no pavement here and there is a bin on the opposite side of the road. Remove the one at the bottom of the lane and replace the other with a larger bin.
- -Removal of green bin at the Bridge opposite Cuba Industrial estate. There are 6 in the area.
- -Junction of Rochdale Rd and Elm Street. The land owner has requested we move this. There is another bin across the road.

WHITWORTH FORUM AREA - 66 BINS IN TOTAL
13% REDUCTION

Facit & Shawforth: 7

- -Remove 2 large bins from the flats on Moss Side Street. Residents have refuse containers.
- -Remove yellow post mounted bin outside 507 Market Street. This is damaged and there are other bins in the area.
- -Remove the bin from near the Cemetery gates on Edward Street. Local suggestion
- -Remove 2 from the Riverside. Local suggestion
- -Remove the bin from the grassed area near Knowsley Crescent play area. Local suggestion

Whitworth & Healey: 2

- -Remove yellow post mounted bin outside Ken Taylor's. Local suggestion
- -Remove the bin from Gandy Brow. Local suggestion
