AREA

Haslingden

ID	Respondent	GB/UB	Site	Site Reference	Support	Object	Neutral	Retain/Conserve land in GB	Reasons
136	Resident	GB	Land at Hud Hey		<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Please find enclosed "Two" maps of land that we request be seriously considered for future development within the Local Plan Part 2. The land site on Rising Bridge Road, Haslingden has been discussed in the past as an ideal site for Housing for the senior citizens as single storey or two bedroomed bungalows. This would in turn release larger homes for family occupation within the Borough. The land at Hud hey again, ideal for the development of housing, lying between the Hall Park Caravan Park and bounded by the A56 by-pass and properties at Hud Hey. This site was used for "46" foultry six caravans when the A56 by-pass was under construction. Both these sites should have been assessed for all the utilities required and are acceptable for all. Please look at these sites for the future of the Borough's wellbeing together with Valley peoples future's living.
