

Vision:

- ◆ To improve financial performance against agreed budgets and business plan
- ◆ Achieve and maintain a high standard of customer service at both facilities
- ◆ Increase levels of daytime activity i.e. conferences, funerals, training days etc
- ◆ Increase levels of in house services at both facilities
- ◆ To extend the gym at the leisure Centre, to enable us to improve facilities, increase membership and encourage a more active lifestyle

Charitable objects

The principal activity of the charitable company is the provision of sustainable leisure facilities for the community in and around Whitworth including but not exclusively, Whitworth leisure centre. To secure this principal objective the charitable company aims to:-

Secure the long term future of the Leisure centre and to develop the Riverside into a successful community facility and to subsequently improve the income stream to supplement funding and to ensure it also has a long term future.

Provide facilities in Whitworth that will secure the confidence of users, investors and the Local authority.

Provide professional and effective management capable of managing the facilities.

Work with Rossendale Council on behalf of the local community.

Work with Whitworth Town council in promoting the village to become the gateway to Rossendale valley, attracting visitors not only to the leisure centre and the Riverside but also to encourage walking, hiking, biking and other outdoor activities.

About CLAW

Community Leisure Association of Whitworth (CLAW Ltd) was established in August 2002 after the closure of Whitworth baths. The directors of the newly formed company, along with fundraisers and the support of the whole community, worked extremely hard to raise funds to enable them to re-open the baths.

Many tens of thousands of pounds was raised and an army of helpers including tradesmen and general public came along to give their time and expertise which led us to re-open the baths in June 2003.

CLAW had also removed old facilities and installed a new gym.

The old civic hall was the venue for all our fundraising activities and after a successful event in December 2003 the hall burnt to the ground.

After much negotiation the council agreed that a new civic hall should be built in its place. In October 2006 the Riverside opened its doors for the first time.

In October this year the Riverside will celebrate its 10th anniversary with a series of events for all the community to enjoy. The planned events are Stars in your Eyes on Friday 28th, Celebration Dinner on Saturday 29th and finishing with a family Halloween party on Sunday 30th October.
