POLICE REPRESENTATION – Application for 801 Burnley Road, Crawshawbooth, Rossendale.

Please accept this email as a relevant police representation to the new premises licence application received by us on the 20th September 2016 in relation to a property at 801 Burnley Road, Crawshawbooth, Rossendale, BB4 8BW. The applicant being a Shabaz Alam Ahmed.

My representation is on the grounds that the licensing objectives are likely to be undermined if the application is allowed in its current format. It's my view that the conditions attached to the application are inadequate for the premises and dialogue with the applicant needs to be started to ensure the conditions promote the licensing objectives.

For this reason over the past few weeks I have tried to make contact with the applicant but to no avail. These attempts have included phone calls and messages, visits to the premises and even a visit to the home address of the applicant when there was no reply but a card was left. A letter was also posted to him asking for him to make contact but as of yet I have not spoken to the applicant. There seems to be some sort of avoidance on the part of the applicant and this concerns the police.

I propose to make further attempts to speak to the applicant and discuss the application and police concerns. But until that takes place the police do have issues regarding this application and would like to make representations to it. I will let you know if dialogue is started and an hearing is deemed not necessary by those involved.

Submitted for your consideration.

Regards.
