Standard Conditions of an 'Exemption Notice' issued in respect of an Executive Private Hire Vehicle

Guidance Notes

An 'Exemption Notice' exempting a private hire vehicle proprietor from the requirement to display the exterior licence plate and door decals upon the vehicle, and the driver of that vehicle from the requirement to wear/display a private hire driver's identification badge, is granted subject to the licensed private hire vehicle being operated in accordance with the conditions set out below.

The vehicle must be an "executive" style car. The service offered must be contract or account type work with private companies who require a chauffeur type executive level of service. Such determination to be made by the Licensing and Enforcement Manager whose decision is final.

Failure to comply with these conditions may result in the withdrawal of the exemption notice at the discretion of the Licensing and Enforcement Manager.

Should it be the case that the Council's standard private hire operator, proprietor or drivers conditions conflict with the Council's standard 'Exemption Notice' conditions, then for the period that the said notice remains in force, the standard 'Exemption Notice' conditions shall be deemed to apply.
