

WHITWORTH AREA FORUM

To be held at Whitworth Community High School, Hall Fold, Whitworth
on Monday, 5 June at 7.00pm

AGENDA

1. Welcome and Introductions
2. Apologies
3. Notes of the last meeting held on 6 March 2006 (attached)
4. Police Issues
5. NEAT Team Update
 - There will be an opportunity to put forward suggestions for suitable sites to be tackled by the grot spot teams
6. East Lancashire Hospitals Public Consultation
Representatives from East Lancashire Hospitals Trust will be in attendance at the meeting to outline the proposals in the consultation document and also update on the future of Health Services for Rossendale.
7. Public Exercise “Health Ambition for Rossendale”
Members of the public are invited to take part in an interactive session to help shape health services for the future.
8. Public Question Time

Meeting Arrangements

The Area Forums have been established by the Council to inform residents of current issues and to invite feedback and comment on those issues.

The Chair of the meeting will introduce each item on the agenda in turn and a report or presentation will be given to the meeting by the person responsible for the item. Once the report/presentation has been given, the Chair will invite comments from residents.

The suggested time scale for the meeting envisages that the Officer's report/presentation will take approximately 10 minutes, followed by public feedback/comments.

The final item on the agenda is Public Question Time. It is envisaged that 30 minutes will be allocated to this item. The purpose of this item is for residents to ask questions about any current issue or business of the Council. It is not intended that this item should be used for residents to make **individual** complaints. The Council has a formal Complaints procedure for such matters.

If any residents have any such individual complaints, forms will be available at the meeting.
