Dear Licensing Manager,

I am writing to register my strong opposition to vary a Premises Licence in respect of The Blind Tiger, 1 Brook Street Rawtenstall BB4 6AA.

James Morris has applied to extend the licence for live and recorded music, alcohol etc from 12.00 noon until 3.00 a.m. Monday through to Sunday.

This is a residential neighbourhood. We have had many problems with the level of noise, parking and unsociable behaviour. The council are very aware of this.

The volume level of the music is already far too loud. We should not have to put up with this appalling infringement. Every weekend and often during the week we, the residents of Parramatta Street, are being subjected to loud music, cars parked outside our homes and other unpalatable behaviour.

Please do not allow this to continue. I am registering this as a formal complaint.

Yours faithfully
