8. POLICY IMPLICATIONS AND CONSULTATION CARRIED OUT

8.1 The scrutiny process was introduced by the Local Government Act 2000. The purpose of the Overview and Scrutiny Committees is to help improve the way the Council works and to make sure it gets its decisions and policies right. Task and Finish Groups support specific focused pieces of work to produce a report and recommendations.

The four main principles of scrutiny are:-

- Empowering local people working with their local representatives, to challenge the council and other agencies to deal with local concerns
- Ensuring that the views and concerns of local people are heard at the heart of the local authority
- Enabling local councillors, as community champions to take the lead in raising issues for scrutiny
- Reinforcing the scrutiny functions as a way to get things changed and improved so that local communities can see tangible results.

8.2 Consultation has been undertaken with the following in the development of the Overview and Scrutiny Work Programme 2018/19:-

- Internal consultation with Directors, Heads of Service and Managers
- Councillors
- General public via the Council's news website, social media (Facebook and Twitter), and forms in the One Stop Shop

9. CONCLUSION

9.1 A commitment to the Work Programme will ensure that the Scrutiny process continues to improve its way of working.
