Unsuccessful Assets of Community Value

ACV/001	The Old Market Hall, Bacup. OL13 8GW	09/09/2013	Community Assets Standing Tall - Charity	Property did not meet the assets of community value criteria as set out in Section 88 of the Localism Act 2011 – property has not furthered the social wellbeing or social interests of the local community in the recent past.	03/10/13	-
ACV/004	The Great Tree 447 Blackburn Road Acre Near Haslingden Rossendale BB4 5BA	04/04/2017	Unincorporated group	Property does not meet the assets of community value criteria as set out in Section 88 of the Localism Act 2011. Whilst the nomination met the criteria of being a building within the local authority's area and the nomination was from an unincorporated group of at least 21 people, it did not meet any other listing requirements as follows: <ul style="list-style-type: none"> The building's actual current use does not further the social wellbeing and interests of the local community. The building has not furthered further the social wellbeing and interests of the local community in the recent past as it been unoccupied since 1999 and only been occupied for 8 months in the last 21½ years, with the building's last use as a pub on 31st October 1995. There is no ancillary use relevant to the land/building e.g. a space used for an annual village fete. It is unrealistic to think that there will be community use within the next 5 years. 	08/05/17	-
