

## POLICIES MAP 2017 – ERRATA

- **Site of Special Scientific Interest:** The West Pennine Moors SSSI should also cover the BHS site at Haslingden Moor. The correct boundary will be revised for the next consultation. Other areas designated as the West Pennine Moors SSSI which are situated completely outside the Borough boundary are not shown on the Policies Map. - **Green Belt release for site HS2.73:** The site HS2.73 is proposed for a housing allocation. An urban boundary change is proposed to include the site within the urban area, however the urban boundary should follow the Borough boundary. The land is also proposed to be removed from the Green Belt including a part of Wood Lane. Therefore Wood Lane should appear in white on the map and the urban boundary should follow the Borough boundary.
- **Green Infrastructure:** The Green Infrastructure site north of Goodshaw Chapel in Loveclough, should be withdrawn.
