

Accessing the updated interactive map – 23 May 2019

A link to the interactive map displaying the Rossendale Local Plan Policies Map Submission Version (incorporating errata) has now been added to the examination library.

The interactive map was first published during the Regulation 19 consultation. It has been updated by consultants to incorporate the errata as described in the submission document [SD026](#) 'Rossendale Draft local Plan Pre-Submission Publication Version Policies Map Errata Description'.

The updated map is now available via
