

Re-use and Re-development of Employment Land

Draft Supplementary Planning Document

Consultation Responses - April 2023

Rossendale
BOROUGH COUNCIL

1. Introduction

- 1.1 The draft Supplementary Planning Document (SPD) was consulted on for 4-weeks from 9 February to 10 March 2023. The Council received 5 responses, of which, 4 were submitted by statutory consultees (Natural England, Historic England, The Coal Authority and Homes England) and one by the Head of Regeneration and Housing at Rossendale Borough Council.
- 1.2 The Coal Authority and Homes England had no specific comments to make on the draft SPD while Historic England and the Head of Regeneration and Housing provided supportive comments.
- 1.3 In addition, Natural England had no specific comments on the SPD, stating that it is unlikely to have major environmental impacts. However, they have asked the Council to consider biodiversity enhancement, landscape enhancement, protected species and whether a Strategic Environmental Assessment or Habitats Regulations Assessment should be undertaken.
- 1.4 The redacted representations are available to view in Appendix A. Any amendments to the draft SPD, as a result of this consultation will be considered, and where appropriate, changes will be made prior to the adoption of the SPD.

Appendix A – Representations Received during the Public Consultation (9 February – 10 March 2023)

Comment Reference	Organisation	Consultee Type	Amendment proposed?	Page number
1	Rossendale Borough Council	Local Authority	No	4
2	Natural England	Statutory Consultee	No	5
3	Historic England	Statutory Consultee	No	7
4	The Coal Authority	Statutory Consultee	No	8
5	Homes England	Statutory Consultee	No	10

Consultation on draft Re-use and Re-development of Employment Land Supplementary Planning Document

Response 1

Respondent Details

Information	
Respondent Number: 1	Respondent ID: 211547812
Date Started: 21/02/2023 19:59:26	Date Ended: 21/02/2023 20:05:13
Time Taken: 5 minutes 46 seconds	Translation: English
IP Address: 89.242.40.158	Country: United Kingdom

Q1. Please select the statement below which best describes your opinion on the draft SPD:

I support the draft SPD

Please add any comments here:

Reducing levels of unemployment is a key priority for Rossendale. This SPD is a key action to help protect the current employment levels. The Economic Development department fully supports this SPD.

Q2. Are there any amendments you wish to make to the SPD? Please refer to sections or paragraph numbers of the SPD if possible.

None

Q3. Please provide your name and contact details below: The consultation responses including your name and address will be made publicly available but it will exclude any other contact details.

First Name: Megan
Last Name: Eastwood
Company (if relevant): Rossendale Council
First Line of Address: Futures Park
Second Line of Address: Bacup
Postcode: OL13 0BB
Email address: [REDACTED]

Q4. Following this public consultation, the Forward Planning Team will review the responses received and may make amendments to the draft SPD as a result. Would you like to be notified if the Council decides to adopt a final version of the SPD? If yes, your contact details will be added to the Planning Policy database. You can ask for your contact details to be removed from the database at anytime by emailing forwardplanning@rossendalebc.gov.uk.

Yes

Dear Sir or Madam

Draft Re-Use and Re-Development of Employment Land Supplementary Planning Document (SPD)

Thank you for your consultation on the above dated 10 February 2023, which was received by Natural England on 10 February 2023.

Natural England is a non-departmental public body. Our statutory purpose is to ensure that the natural environment is conserved, enhanced, and managed for the benefit of present and future generations, thereby contributing to sustainable development.

Our remit includes protected sites and landscapes, biodiversity, geodiversity, soils, protected species, landscape character, green infrastructure and access to and enjoyment of nature.

While we welcome this opportunity to give our views, the topic this Supplementary Planning Document covers is unlikely to have major impacts on the natural environment. We therefore do not wish to provide specific comments, but advise you to consider the following issues:

Biodiversity enhancement

This SPD could consider incorporating features which are beneficial to wildlife within development, in line with paragraphs 8, 72, 102, 118, 170, 171, 174 and 175 of the National Planning Policy Framework. You may wish to consider providing guidance on, for example, the level of bat roost or bird box provision within the built structure, or other measures to enhance biodiversity in the urban environment. An example of good practice includes the [Exeter Residential Design Guide SPD](#), which advises (amongst other matters) a ratio of one nest/roost box per residential unit.

Landscape enhancement

The SPD may provide opportunities to enhance the character and local distinctiveness of the surrounding natural and built environment; use natural resources more sustainably; and bring benefits for the local community, for example through green infrastructure provision and access to and contact with nature. Landscape characterisation and townscape assessments, and associated sensitivity and capacity assessments provide tools for planners and developers to consider how new development might make a positive contribution to the character and functions of the landscape through sensitive siting and good design and avoid unacceptable impacts.

Protected species

Natural England has produced [Standing Advice](#) to help local planning authorities assess the impact of particular developments on protected or priority species.

Strategic Environmental Assessment/Habitats Regulations Assessment

A SPD requires a Strategic Environmental Assessment only in exceptional circumstances as set out in the Planning Practice Guidance [here](#). While SPDs are unlikely to give rise to likely significant effects on European Sites, they should be considered as a plan under the Habitats Regulations in the same way as any other plan or project. If your SPD requires a Strategic Environmental Assessment or Habitats Regulation Assessment, you are required to consult us at certain stages as set out in the Planning Practice Guidance.

Should the plan be amended in a way which significantly affects its impact on the natural environment, then, please consult Natural England again.

Please send all planning consultations electronically to the consultation hub at consultations@naturalengland.org.uk.

Yours faithfully

Dominic Rogers
Consultations Team

Dear Sir/Madam

Draft Reuse and Redevelopment of Employment Land SPD

Thank you for consulting Historic England regarding the proposed Employment Land SPD.

Historic England is the Government's statutory adviser on all matters relating to the historic environment in England. We are a non-departmental public body established under the National Heritage Act 1983 and sponsored by the Department for Culture, Media and Sport (DCMS). We champion and protect England's historic places, providing expert advice to local planning authorities, developers, owners and communities to help ensure our historic environment is properly understood, enjoyed and cared for.

We welcome the production of the SPD. In particular, the section which seeks to retain buildings that make a positive contribution to character and identity of Rossendale.. Buildings such as mills are an important part of this, and the reinforcement of this requirement will help in the case to retain and reuse these heritage assets.

If you have any queries about this matter or would like to discuss anything further, please do not hesitate to contact me.

Yours sincerely,

E.Hrycan

Dear Forward Planning Team

Re-use and Re-development of Employment Land SPD Consultation

Thank you for your notification received on the 10th February 2023 in respect of the above consultation.

The Coal Authority is a non-departmental public body sponsored by the Department for Energy Security and Net Zero. As a statutory consultee, The Coal Authority has a duty to respond to planning applications and development plans in order to protect the public and the environment in mining areas.

Our records indicate that within the Rossendale area there are recorded coal mining features present at surface and shallow depth including; mine entries, shallow coal workings, surface mining activity and reported surface hazards. These features may pose a potential risk to surface stability and public safety.

The Coal Authority's records also indicate that surface coal resource is present in the area, although this should not be taken to imply that mineral extraction would be economically viable, technically feasible or environmentally acceptable. As you will be aware those authorities with responsibility for minerals planning and safeguarding will have identified where they consider minerals of national importance are present in your area and related policy considerations. As part of the planning process consideration should be given to such advice in respect of the indicated surface coal resource.

It is noted however that this consultation relates to an SPD on re-use and re-development of employment sites. I have reviewed the document and can confirm that the Planning team at the Coal Authority has no specific comments to make on its content.

Yours faithfully

Dear Sir / Madam,

**Consultation on the Re-use and Re-development of Employment Land Draft
Supplementary Planning Document
Homes England Response**

As a prescribed body, we would firstly like to thank you for the opportunity to comment on the above consultation.

Homes England is the government's housing accelerator. We have the appetite, influence, expertise, and resources to drive positive market change. By releasing more land to developers who want to make a difference, we're making possible the new homes England needs, helping to improve neighbourhoods and grow communities.

Homes England does not wish to make any representations on the above consultation. We will however continue to engage with you as appropriate.

Yours faithfully,

P.P Nicola Elsworth
