H1.2 The Council shall be entitled to issue to the Contractor in writing or, in case of urgency orally (provided the Council confirms oral instructions in writing as soon as it is practicable), variation orders requiring the addition, suspension, reduction or cessation of provision of any Services and/or the provision of emergency Services in accordance with revised Delivery Instructions. The Contractor shall charge for the impact of the variation order in accordance with the rates and prices used to calculate the Price in the Tender.

H3. NO WAIVER

H3.1 Failure by either party at any time to enforce any one or more of the provisions of this Contract or to require performance by the other party of any of the provisions shall not constitute or be construed as a waiver of the provision or of the right at any time subsequently to enforce all terms and conditions of this Contract nor affect the validity of the Contract or any part of it or the right of the parties to enforce any provision in accordance with its terms.

H3.2 No waiver of any of the provisions of this Contract shall be effective unless it is expressed to be a waiver in writing and communicated in accordance with clause A3 (Notices).

H4. SEVERANCE

H4.1 If any provision of the Contract shall become or shall be declared by any court of competent jurisdiction to be invalid or unenforceable in any way, such invalidity shall not impair or affect any other provision all of which shall remain in full force and effect.

H6.2 If the Council or the delivery location is affected by circumstance of Force Majeure, the Council shall be entitled to, totally or partially, suspend the date or dates for delivery of the Services until the circumstances of the Force Majeure have ceased. The suspension shall not give rise to any claim by the Contractor against the Council nor entitle the Contractor to terminate the Contract.

H6.3 Industrial action by, or illness or shortage of the Contractor's Employees, agents or subcontractors, failure or delay by any of the Contractor's suppliers to supply goods, components, services or materials and breach of the Contractor's warranties under clause B6 shall not be regarded as an event of Force Majeure.

H6.4 If the event of Force Majeure continues for more than two (2) months either party may give written notice to the other to terminate the Contract immediately or on a set termination date.

H6.5 If the Contract is terminated in accordance with clause H6.4 neither party will have any liability to the other except that any rights and liabilities which accrued prior to termination will continue to exist.
