Subject: RE: Edenfield Neighbourhood Plan consultation

Dear Sir / Madam,

Thank you for inviting National Highways to comment upon the draft Edenfield Neighbourhood Plan.

We have no comments on the draft Plan other than that consideration could be given to amending the wording within Policy T2 (Transport and Travel) to advise that given the proximity of the strategic road network (SRN), any development proposal within the area covered by the Neighbourhood Plan that would be expected to generate more than 30 two-way vehicle trips should also include within the accompanying Transport Assessment an assessment of the impact of e traffic generated at the A56 / M66 Junction (Junction '0') and also at M66 Junction 1.

If you would like to discuss anything about this email, please contact me.

Kind regards,

Warren Hilton, Assistant Spatial Planner
