**THE TOWN AND COUNTRY PLANNING (TREE PRESERVATION)  
(ENGLAND) REGULATIONS 2012**

**THE ROSSENDALE BOROUGH COUNCIL  
TREE PRESERVATION ORDER NO. 1 OF 2021  
(LAND AT 2 ABBOTSFORD, WHITWORTH, ROCHDALE, LANCASHIRE, OL12 8DJ)**

THIS IS A FORMAL NOTICE to let you know that the Council made the above Tree Preservation Order today. A copy of the Order is enclosed. In simple terms, it prohibits anyone from cutting down, topping, lopping, uprooting, wilfully damaging or wilfully destroying any of the trees specified in the Order without the consent of the Council.

The Council has made the Order because it considers that it is expedient in the interests of amenity that the trees specified in the Order should be preserved. The trees are highly visible and a prominent feature when viewed down Millfold and along John Street and provide strong boundary definition and screening to the garden of the property. The trees make a valuable contribution to the visual amenities of the area. Their removal or inappropriate pruning would have a significant impact on the environment and its enjoyment by the public.

The Order shall take effect provisionally today and shall continue in force until (a) the expiration of six months beginning with the date on which it was made, (b) the date on which it is confirmed, or (c) the date on which the authority decide not to confirm the Order, whichever occurs first.

The Council will consider whether the Order should be confirmed, that is to say, whether it should take effect formally. Before this decision is made, the people affected by the Order have a right to make objections or other representations about any of the trees, groups/areas of trees or woodlands covered by the Order. If you would like to make any objections or other comments, please make sure we receive them in writing by 22<sup>nd</sup> March 2021. Your comments must comply with Regulation 6 of the Town and Country Planning (Tree Preservation) (England) Regulations 2012, a copy of which is provided overleaf. Send your comments to Clare Birtwistle, Legal Services Manager (Monitoring Officer) at the address below quoting reference Z14-002305. All valid objections or representations are carefully considered before a decision on whether to confirm the Order is made.

The Council will write to you again when that decision has been made. In the meantime, if you would like any further information or have any questions about this letter, please contact [REDACTED] on [REDACTED]. A copy of the Order may be inspected, free of charge, at the One Stop Shop, The Business Centre, Futures Park, Bacup, Lancashire between 9:00am and 4:30pm Monday to Friday. ## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations, which apply in relation to England only, substantially revoke and replace the Town and Country Planning (Trees) Regulations 1999, to the extent to which they apply to England. They also revoke the Town and Country Planning (Trees) (Amendment) (England) Regulations 2008 and the Town and Country Planning (Trees) (Amendment No. 2) (England) Regulations 2008.

Part 2 prescribes the form of tree preservation orders and the procedure for their making, provisional effect, confirmation, variation and revocation. The prescribed form is set out in the Schedule to the Regulations.

Part 3 of the Regulations sets out prohibited activities in relation to a tree protected by an order and exceptions. Under regulation 13 a tree protected by a tree preservation order may not be cut down, topped, lopped, uprooted or wilfully damaged or destroyed without the consent of the local planning authority, unless an exception applies. These exceptions are set out in sections 198(7) and 200(1) of the Town and Country Planning Act 1990, and in regulation 14 of the Regulations.

Section 198(7) provides exceptions relevant to section 39(2) of the Housing and Planning Act 1986 (c.63) (saving for effect of section 2(4) of the Opencast Coal Act 1958 (c. 69) on land affected by a tree preservation order despite its repeal) and section 15 of the Forestry Act 1967 (c.10) (licences under that Act to fell trees comprised in a tree preservation order).

Section 200(1) provides that a tree preservation order does not have effect in respect of anything done by or on behalf of Forestry Commissioners on land placed at their disposal in pursuance of the Forestry Act 1967 or otherwise under their management or supervision or anything done by or on behalf of any other person under a plan of works approved by the Forestry Commissioners under a forestry dedication covenant (as defined in section 5 of the Forestry Act 1967) or under conditions of a grant or loan made under section 1 of the Forestry Act 1979 (c. 21).

Regulation 14 contains exceptions to the requirement for consent and regulation 15 contains exceptions for trees in conservation areas.

Part 4 of the Regulations prescribes the procedure for applications for consent under tree preservation orders.

Part 5 prescribes the procedure for appeals and for their determination. Regulation 19 grants a right of appeal in respect of a refusal to grant consent, a grant of consent subject to conditions or a failure to determine an application for consent within the prescribed time period.

In Part 6, regulation 24 provides for compensation claims, subject to exceptions, to be made where loss or damage has been incurred as a consequence of a refusal to grant consent, a grant of consent subject to conditions or a refusal of approval required under a condition.
